

2022 USA Boxing National Qualifier Weight Change Guide

1. To change your weight, **you first must be registered for the event.**
2. Once registered, login to your USA Boxing profile and you will see the pop up below containing the name, date and weight of your registration.

3. To change your weight, click "Edit My Registration". From here you can select the new desired weight from the drop-down menu and click "Edit My Registration" again to save this new weight.
4. You can change your weight as many times as you want until the deadline on 04/12/2022.
