Special Situations

If any of the following situations apply to you, please submit the form below to Global JBS for assistance:

1. You're a local team that lives within 75 miles of the Goldberger Family Field and Warner Field at Brown University
2. You will be staying with family or friends that live within 75 miles of the Venue location (stated above)
3. You're planning on a different form of housing: RV park, house rental, etc.
4. If you have enough points to redeem them for a FREE stay, you are allowed to do so. Please book the room through the brand directly & send a copy of your reservation showing that points were used for your entire stay. Please note that just 'receiving points' for staying at a hotel does not qualify for an exemption.
5. If you are able to get a lower rate with a military or government discount, this will be accepted. You will need to email a copy of the reservation that was booked at the military or government discount along with this form. Please note, the hotel will require the military or government ID to be presented upon check-in, please have this information when you arrive.
6. If you find a lower room price (room rate) and total room cost (including all taxes and fees) publicly available on the Internet for the same dates, please send a screen shot or link of the rate to info@globaljbs.com
7. If there is a hotel you would like but do not see on our list, please send that hotel name to info@globaljbs.com
