Weather Cancellation Policy

Games will go on as scheduled through rainstorms. Games canceled due to thunder and lightning, or impending danger may not be rescheduled due to time and field usage limitations. Missed games will be recorded as a tie (0-0). If a game in progress is canceled at anytime the score will be final at the time the game was ended. Games will **NOT** be re-started if less than a scheduled half period remains on the official running clock. Athletes **MUST** show up (regardless of the weather at their hotel) and be prepared to play immediately if the situation permits.

Athletes should remain in cars and wait to hear from coaches during weather delays. Coaches **ONLY** may proceed to USA Field Hockey Administrative offices.

Up-to-date tournament information will be posted on www.usafieldhockey.com and the USA Field Hockey Facebook and Twitter Pages
