

THE EHF PARAHOCKEY FORUM 2019

Marijke Fleuren
EHF President

Angus Kirkland
EHF Director General

WELCOME & INTRODUCTION

THE EHF VISION FOR PARAHOCKEY

THE EHF PARAHOCKEY OBJECTIVE

“Develop more people and more nations playing Parahockey at every level”

WHY INTELLECTUAL DISABILITY

THE 5 MILLION

The FIH & EHF together with members federations carried out research and insight into National Federations whom were developing ParaHockey.

UNITED HOCKEY FAMILY

Feedback from the National Federations deemed that there was limited resources to work on offers for all forms of ParaHockey.

EQUALLY AMAZING

The IPC advised for one area of ParaHockey to be concentrated on with resources available to enable hockey to start the inclusive journey.

THE GLOBAL PARAHOCKEY STRUCTURE & AGREEMENTS

2. There is a global agreement between the IPC & FIH instructing FIH to demonstrate ParaHockey development Worldwide.
The agreement concentrates on the pathway from grassroots to elite for Intellectual Impairment.

IPC - Paralympics

1. Hockey is not yet in the Paralympics.
The OBJECTIVE IS:
"Develop more people and more nations playing ParaHockey at every level"

Virtus
The International Federation For Athletes With Intellectual Impairments

3. EHF works in conjunction with the FIH, IPC, VIRTUS & SO which helps FIH maintain IPC recognition of Hockey

- Therefore maintaining support and recognition from INAS & SO is vital for the growth and development of ParaHockey as it means NOC (National Olympic Committee) support is more likely for National Associations.

EuroHockey Para I.D. Championships

Virtus & Special Olympics
Continental and National Competitions

Therefore CF's and NA's must continue to (as part of keeping the recognised status) improve the administration of ParaHockey.

Member Federation European I.D. ParaHockey Festivals

- This does not mean the playing ability must be higher, it means improving the eligibility & classification systems for safeguarding for all our ParaHockey nations and teams whom enter.

European NA development of any type of ParaHockey
POR / ITA / NED / GER / BEL / SPA / FRA / IRE / ENG
WAL / SCO / CZE / BUL

- and continue to support and improve the standards set for ParaHockey athletes, coaches, volunteers and officials.

4. Nations in BOLD = Played Internationally
Other nations = Play nationally

EQUALLY AMAZING

LUNCH

The value of Social Media and Mobile (SoMo)

Workshop: developing
ParaHockey public communication

- Situation and challenges
- Dutch experiences from EPHC 2019
- Workshop
- Wrap-up: sharing insights

People clearly see it when they see it,
when they are there,
when they experience it

Use of Social media and Mobile is limited

- People think:
 - Nice for family and friends
 - Limited reach

- Limited ambitions with SoMo
 - Use as simple device for information dissemination
 - Ad hoc by family and friends, by clubs, by ParaHockey committees to report about tournaments
 - Limited ambition in reach, just fulfilling basic visibility requests sponsors
 - Not actively used to show relevance and possibilities to stakeholders (sponsors, clubs, federations)

- Challenge:
Explore and showcase broader interest and possibilities of ParaHockey

Starting point for ParaHockey

- Good
 - Initial: positive attitude out of pity and humanity
 - Likeable activity
 - At individual level people convinced of importance of ParaHockey

- Rewarding
 - People see immediate and concrete pay-off of their individual contribution

- Feasible
 - Good basis, well-organized (FIH, EHF)
 - Closer to mainstream Hockey than people think
 - Extra attention for sportsmanship and fair play

Challenges for ParaHockey

- Challenge: Pity and humanity as drivers are limiting
 - Seems only “family circle” activity
 - No financial / economic benefits expected
 - Assumption difficult to sell with hard numbers
 - Assumption hard numbers not feasible
 - Expectation hard numbers will not be good

- How can we show how rewarding ParaHockey is?

- Can we gain and maintain a broader interest?

- Can we establish sustainable relationships ?
 - Stakeholders
 - Sponsors
 - Media

- Can we build a sharper identity for ParaHockey?
 - Inclusion – place *within* the hockey family
 - Interest in the game and all its players

ELIGIBILITY &
CLASSIFICATION

ELIGIBILITY & CLASSIFICATION

**NORMAN HUGHES
PARAHOCKEY LEAD**

WHAT ARE ELIGIBILITY & CLASSIFICATION

THE IPC & INAS PROCESS WHICH GROUPS PLAYERS OF SIMILAR IMPAIRMENT TO ENSURE COMPETITION IS FAIR AND EQUAL.

ELIGIBILITY AND CLASSIFICATION ARE TWO PARTS OF THE SAME PROCESS.

ELIGIBILITY?

ELIGIBILITY **ENSURES** THE PRESENCE OF AN IMPAIRMENT

INAS/IPC ADOPT THE DEFINITION OF INTELLECTUAL IMPAIRMENT FROM:

- WORLD HEALTH ORGANISATION (WHO)
 - AMERICAN ASSOCIATION FOR INTELLECTUAL AND DEVELOPMENTAL DISABILITY (AAIDD)
-
1. IQ OF 75 OR BELOW
 2. SIGNIFICANT LIMITATIONS IN ADAPTIVE BEHAVIOUR
 3. IMPAIRMENT PRESENT BEFORE AGE 18

APPLYING FOR ELIGIBILITY

ELIGIBILITY MANAGED via INAS MEMBER ORGANISATIONS

MEMBER DETAILS ON THE INAS WEBSITE.

THEY SUPPORT PLAYERS THROUGH THE PROCESS.

NATIONAL ELIGIBILITY OFFICER
(Psychologist) INDEPENDENTLY SIGNS THE
FORMS AND SENDS THROUGH TO INAS
HEAD OFFICE.

LEVEL 1 (NATIONAL)

- INTRODUCED IN 2013 TO HELP SPORTS GROW
- EVIDENTIAL REQUIREMENTS ARE LOWER
- **OUR FOCUS AT THE MOMENT.**

LEVEL 2 (INTERNATIONAL)

- MANDATORY FULL STATUS INAS WORLD EVENTS
- PRE-REQUIREMENT OF IPC CLASSIFICATION
- **NOT OUR FOCUS AT THE MOMENT.**

ELIGIBILITY LEVELS EVIDENCE REQUIRED

LEVEL 1 (NATIONAL) EVIDENCE REQUIRED

IDEALLY A FORMAL PSYCHOLOGICAL ASSESSMENT BUT IF NOT AVAILABLE:

- A SIGNED STATEMENT FROM DOCTOR OR PSYCHOLOGIST.
- PROOF OF ATTENDANCE AT A SPECIAL SCHOOL
- DIAGNOSIS BY STATE OR GOVERNMENT FOR RECEIPT OF SUPPORT

LEVEL 2 (INTERNATIONAL) EVIDENCE REQUIRED

- A FULL ASSESSMENT BY A QUALIFIED PSYCHOLOGIST
- SIGNIFICANT IMPAIRMENT IN INTELLECTUAL FUNCTIONING (WAIS TEST)
- SIGNIFICANT LIMITATIONS IN ADAPTIVE BEHAVIOUR (VAB SCALES/ABAS SCALES)
- PROOF OF ONSET BEFORE 18 YEARS OLD

INAS ELIGIBILITY MASTER LIST

- ELIGIBILITY IS MANDATORY FOR ALL INAS AND IPC RECOGNISED EVENTS.
- THE SAME PROCESS APPLIES TO ALL SPORTS
- PLAYERS WHO MEET THE CRITERIA APPEAR ON THE INAS MASTER LIST

[HTTPS://INAS.ORG/ABOUT-US/ATHLETE-ELIGIBILITY/ELIGIBILITY-MASTER-LIST](https://inas.org/about-us/athlete-eligibility/eligibility-master-list)

CLASSIFICATION?

CONFIRMS THE IMPACT THAT THE IMPAIRMENT HAS ON PERFORMANCE.

IT IS SPORTS SPECIFIC

IT COMPRISES OF:

- A COGNITIVE COMPUTER BASED TEST (5 MINS)
- GAME OBSERVATION TESTING (SCREEN SHOTS OF 20 MATCH SITUATIONS)

PRELIMINARY MEETINGS BETWEEN FIH, KU LEUVEN AND CANTERBURY UNIVERSITY

NOTE: THIS A LONG-TERM OBJECTIVE

FOR THE EURO PARAHOCKEY CHAMPIONSHIPS:

CHAMPIONSHIP TIER AND TROPHY TIER:

- YOU SHOULD ENSURE THAT ALL PLAYERS ACHIEVE NATIONAL ELIGIBILITY BY 2021.

CHALLENGE TIER:

- YOU SHOULD ENSURE THAT ALL PLAYERS ACHIEVE NATIONAL ELIGIBILITY.

DIVISIONING

WHAT IS DIVISIONING?

AT TOURNAMENTS, ALL TEAMS ARE DIVISIONED TO ENSURE THAT THERE WILL BE;

- A FAIR COMPETITION
- AN EQUAL COMPETITION WITH CLOSE GAMES

WHEN IS DIVISIONING APPLIED

AT EVERY TOURNAMENT FROM 2019 A DIVISIONING PROCESS WILL BE ENSURED SO THAT WE SELECT POOLS/DIVISIONS WITH TEAMS OF SIMILAR ABILITY LEVELS.

- EVERY EFFORT WILL BE MADE TO ENSURE THE INTEGRITY OF THE PROCESS
- BEST EFFORTS WILL BE MADE TO ENSURE AT LEAST 3 TEAMS AND NO MORE THAN 6 TEAMS IN EACH POOL

INITIAL PLACEMENT OF EACH TEAM/NATION IN THE DIVISIONING ROUNDS (DAY 1)

- MADE BY THE SPORTS DIRECTOR/TECHNICAL DIRECTOR
- USING THE PLAYER ASSESSMENT FORMS SENT BY THE NATIONS MANAGER/COACH
- THIS TO BE SUBMITTED WHEN THE TEAM ENTERS/REGISTERS AT LEAST 3 MONTHS BEFORE EVENT
- TEAMS NOT SUBMITTING FORMS PLACED IN HIGHEST POOL ON DAY 1

WHAT IS DIVISIONING?

THE DIVISIONING COMMITTEE WILL PREPARE THE TOURNAMENT POOLS/DIVISIONS AT THE END OF DAY 1.

SCHOOL ACTION INDOOR ACTION 2020 - 2021

All the Teams have mobilized in their territory, expanding their range of action, in fact they have focused on the younger school classes in order to look to the future with athletes under 21.

In the schools we went with professional technicians and specialized personnel and we convinced new special players interested in our activity.

We put them in the existing teams that are indoor and in September / January it is easier to bring them to the indoor ParaHockey.

▶ We have also involved many associations and schools reserved for athletes with down syndrome because as in other sports (basketball, football, athletics, swimming, etc) we want to make a competitive team of ParaHockey C21 as well as develop the female sector that at this moment is in departure but still not competitive.

▶ It seems strange but in Italy indoor activity brings many athletes who then convert into Outdoor ParaHockey Players

GENERAL CONCEPT

The City «Milan»

Milan is the second-largest city in Italy and the capital of Lombardia with a population of 1.368.590 in an area of 181,76 km² at the altitude of alt. 122 mt. Milan is the main industrial, commercial and financial centre of Italy and a leading global city perfectly located in the centre of Europe. Its business district hosts the headquarters of the largest national banks and companies. Milan is a city of design and new technologies, of art and fashion as well of food. It seems that all these aspects have arranged to meet up in Milan to release an innate creativity and a desire to evolve. Therefore, Milan is not just about business, Milan means, first and foremost, creativity and inventiveness, glamour and "cucina".

Since Saint Ambrogio edict on IV century Milano is bespoken for its open-mindedness and hospitality. This is the reason why Milan attracts more than two million annual visitors and with 7 Universities, 2 academies and the 11% of the national total students can be considered and University city. In fact, approximately 210.000 Italian and 10.000 foreign students are based in Milan. The city is also well known for several international events and fairs, including Milan Fashion Week and the Milan Furniture Fair, the largest of its kind in the world, and hosted the 2015 Universal Exposition.

Cernusco 2020

GENERAL CONCEPT

The City

«Cernusco Sul Naviglio»

Cernusco sul Naviglio is a town and comune in the metropolitan City of Milano, Lombardy, northwestern Italy, with a population of 33,436 as of 2015 it is the 14th-largest municipality in the metropolitan city.

The municipality of Cernusco sul Naviglio has a total area of 13.33 km² (5 square miles) with a median altitude of 133 metres above sea level.

It is located 11 kilometres northeast of Milan along the *Naviglio della Martesana*, which gives the town its name.

The *Naviglio della Martesana*, an artificial canal built in the 15th century in order to link the Adda river to the city of Milan, is the only significant waterway in the municipality.

There are many sport facilities in Cernusco, which let people playing many sports: the most popular are basketball, football, american football, hockey, rugby, baseball, gymnastics, swimming, volleyball, twirling and cycling. These richness and variety have led the city to the bid for the title of

European City of Sport in 2020.

In the municipality there are also two stations on Line 2 of the Milan Metro, Cernusco sul Naviglio near the city centre and Villa Fiorita in the eastern part, serving the main industrial area.

CULTURAL PROGRAMMES

Milan is one of the most beautiful and interesting Italian cities. The city hosts the famous Leonardo's masterpiece Last Supper as well as many monuments as Duomo, La Scala, The Castle, Santa Maria and St. Ambrogio churches, Navigli the Leonardo's canals, many Art Museums like Brera and Ambrosiana as well as the San Siro Stadium. Most of the above mentioned are free of charges.

We do not have to mention the La Scala theater to remind that Milan is the national cultural capital and one of the most interesting European cities. If Piazza Duomo is the historic heart of Milan, Piazza Gae Aulenti represents the new face of the city, the symbol of a metropolis that is changing and looking ahead to the future.

A cultural programme will be dedicated to the athletes, officials and supporters. An agreement with the city sightseeing bus company will be reached to provide free or discounted tickets.
