Judo Submission Grappling

The 2022 President's Cup will feature an exhibition category for judo submission grappling for the second year. The rules set for JSG has been vetted by USA Judo and multiple edits/modifications were made from what was originally submitted for safety and risk mitigation purposes. As such, this exhibition event falls under the USA sanction and has the same liability/sports injury coverages as any of the traditional judo categories/competitors. Referees for this event will be individuals trained specifically for this exhibition and will operate independently of the USA Judo Certified Referees officiating the traditional judo matches at the President's Cup.

The objective outcome of the match is to win by points or submission. The matches are four minutes in length with a one-minute overtime if necessary. Competitors will be grouped into divisions based on age, weight, gender, experience, and belt ranks. If no points are scored in the regular match time or overtime, both players are disqualified from the tournament. Penalties are given for unsportsmanlike conduct. Three unsportsmanlike penalties equal a disqualification.

Combativeness is important. Both players need to attempt takedowns while standing and submissions while in ne waza. Ne waza is continuous if the downed player has grips on a standing player. Once grips have been broken the downed player must stand and engage in tachi waza (takedowns). Guard pulling is not allowed and two points are given to the opponent as a takedown. Leg locks will not be allowed in kids or novice divisions. Straight ankle locks and kneebars are allowed for blue belts and above.

Scoring for throws & takedowns

4 points: High amplitude throws or takedowns (feet come off the floor and you land on back or side).
2 points: Any wrestling takedown, or judo yuko throw. Snap downs, and sprawls where you spin and take the back.

Scoring for ne waza

2 points: Passing guard, Back control (hooks in & seatbelt)
1 point: Mount, knee on belly, sweep, submission attack/attempt where opponent is in danger

Age Categories and Weight Divisions

JUNIOR AGE CATEGORIES AND WEIGHT DIVISIONS

AGE-OUT EXCEPTION FOR REGULAR BANTAM 1-6, INTERMEDIATE AND JUVENILE ATHLETES

For ALL Junior point events held from July 1 – Dec. 31: Any Junior athlete, who is in the last year of eligibility to compete in his/her current age bracket, may CHOOSE to enter USA Judo point events in the next age bracket. The athlete will need to choose ONE age bracket for each point event in the second half of each applicable year.

The athlete who chooses to compete in the higher age bracket may begin to accumulate points at the new age beginning July 1 of each year, BUT he/she will not be able to use those points until Jan. 1 of the year that actually ages them into the new division. The athlete will NOT be able to compete in his/her “old” age bracket and the “new” one at the same event.

Please note that each category is based on the year in which the contestant was born. All weights are in kilograms. For each weight division, the weight range will be over the next lower weight and up to and including the weight listed. Example: Bantam 1, 28 kg – over 23 kg and up to and including 28 kg.

ONLY ONE WEIGHT PER CATEGORY IS ALLOWED WITH THE EXCEPTION OF IJF WHERE OPEN WEIGHT CAN BE A SECOND ENTRY OR AS OUTLINED BELOW FOR REGULAR BANTAM CATEGORIES.

For all regular bantam categories only:

Athletes must select their true age/weight category as their first entry. They may also select as a “bonus” category one weight up in their true age category and/or move up one age category in their true weight. For example:

- First category is Bantam 2 female 19kg (true age/weight)
- Second category is Bantam 2 female 23kg
- Third category is Bantam 3 female 21kg

The above would be considered entry into three categories and three entry fees must be paid as outlined in the fee matrix above.

For all **novice categories only**, athlete ages and weights will be reviewed and possibly combined after official weigh-in closes to increase the number of competitors in a bracket while maintaining safe competition considering ages and weights.

For each weight division, the weight range will be over the next lower weight and up to and including the weight listed. Example: Bantam 1, 28 kg – over 23 kg and up to and including 28 kg.

Athletes may check weight as many times as desired prior to the official weigh-in on the official scale. An athlete is given only one chance on the official scale during official weigh-in. Open division contestants do not need to weigh in. **At weigh in, Senior Elite, IJF and Cadet categories must present a government issued photo ID.** Photo ID not required for all other categories.

Naked weigh in is not allowed for any age/weight category. To compensate, 0.1kg will be allowed. For example, in the 44kg category the limit will be 44.1kg. This is a clothing allowance only and the 0.1kg will only be added to the true weight.

Athletes who neglected to change their weight during the check in process and missed weight during official weigh in, may enter an additional category by registering (and paying) for the new category as a walk-up registration.

IMPORTANT: All athletes must make their declared weight as registered unless a change is made during the check in/registration process prior to getting on the official scale. Athletes may change their weight category during check in/registration. Failure to make declared weight will result in the athlete not competing in that category. Athlete will not be automatically moved to next weight category. Once official weight is recorded, no changes to weight category will be accepted.

NO CHANGES WILL BE ACCEPTED AT WEIGH IN.

Check In

Check in only if you have a change to your weight or category. If there are no changes to be made, please proceed directly to weigh-in. **No changes will be accepted or made at weigh-in.**

Exhibition Matches

Exhibition matches may be offered for those athletes who are uncontested in their true age/weight category. Only those athletes who are uncontested may request an exhibition match. Rules and Method of Competition

The President's Cup will be conducted in accordance with the 2020 Contest Rules, Organization Code and Sporting Code of the International Judo Federation, as revised for the USA Judo President's Cup.

Injury Rule: Decisions as to whether an athlete may continue if injured while on the mat, are to be resolved in accordance with IJF rules; such decisions occurring off the mat or not covered by the IJF rules, are to be made by the coach, the athlete, and the Team Doctor. If there is not a unanimous opinion among these three individuals, the athlete may not continue.

Competition Method for all Junior Categories – Six (6) or more athletes

The standard ("true") Double Elimination System with winner's and loser's brackets will be used. The winner of the loser's bracket will compete against the winner of the winner's bracket for 1st and 2nd place. The first one of these two contestants to have two losses will be placed second; the other will be placed first. The loser of the loser's bracket will be placed 3rd. Only one bronze medal will be awarded.

Competition Method for all Seniors, Brown Belt, Veterans and VI Categories – Six (6) or more athletes:

Categories having six (6) competitors or greater: Knockout System with Double Repechage (some-times referred to as Crossover Repechage). Players are divided into two pools, A and B which are further subdivided into A1, A2, B1, B2. Determination of 1st and 2nd place: The "Knockout" (single elimination) system is then used to produce two finalists, one from pool A, the other from pool B, who will compete for 1st and 2nd place. Determination of 3rd – 5th place: All contestants who were defeated by the winners of pools A1, A2, B1, and B2 (semi-finalists) will take part in the repechage of their respective pools in the order in which they were defeated. i.e., for pool A1, the loser from Round 1 will meet the loser from Round 2; the winner of that match will meet the loser from Round 3, etc. The winner of repechage pool A1 will meet the winner of repechage pool A2; similarly, for B1 and B2. The winner of the repechage pool A will meet the loser of the semi-final of knockout pool B. The winner of repechage pool B will meet the loser of the semi-final of knockout pool A. The winners (2) are placed 3rd, the losers (2) are placed 5th.

Competition Method for ALL categories with Five (5) or less athletes:

Categories having five (5) Competitors or less: Round Robin Pool. The order of finish is determined by number of wins, then, if tied, by total points. If tied in wins and points, the winner of the head-to-head competition between the two who are still tied determines the winner. If three or more are still tied in wins and points for any place (first, second, or third), those contestants involved must contest again to determine the order of finish. Points are given to the winner only and shall be based on the highest single score of the winner, after factoring out scores that cancel out each other. Point values are Ippon= 10, Waza-ari= 1, win by shido = 0. If a contestant withdraws from a division prior to beginning his or her final match, the results of all that person's previous matches shall be discarded.

Osaekomi during golden score will be allowed to continue until time expires.

Round Robin Clarification:

- If Athlete A pulls out before finishing competition against other athletes in the category and does not go out onto the mat, all points won or lost associated with Athlete A are removed. No medal is awarded to Athlete A
- If Athlete A cannot finish competing due to an injury but goes out onto the mat (field of play), then Athlete B wins and is awarded ippon points. Athlete A receives 0 points.
- If Athlete A, who did not finish competing due to an injury, but went out onto the mat, they are eligible to medal.

Seeding: Senior Shiai only: The top four athletes on the USA Judo Senior National Roster, who are in attendance, will be seeded, provided that they are ranked at A through D levels as follows: A (or B) side: #1

and #4 in one half, #2 and #3 in the other half. A higher seeded athlete will always receive a bye before a lower seeded athlete.

Athletes having the same state affiliation will be placed as far apart in the bracket as possible. Seeded athletes lose their State/Club affiliation for purposes of the draw, i.e., two athletes from the same state or club may meet in the first round if one is a seeded athlete.

Minor Athlete Abuse Prevention Policy (MAAPP)

The Center for SafeSport has developed the Minor Athlete Prevention Policies (MAAPP) which USA Judo has adapted to our own sport. The MAAPP is a collection of proactive and training policies comprised of two parts; Education & Training Policy that requires training for certain Adult Participants and the Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes to prevent abuse. The full MAAPP policy and the reporting mechanism for SafeSport infractions can be found at <https://www.teamusa.org/USA-Judo/MAAPP>. USA Judo defines "regular contact with minors" as meaningful or direct contact or oversight with minors that would be considered frequent, repeated or consistent. By way of example, an adult who will often assist with coaching/leading classes including minors would be considered "regular contact" with minors and is required to complete the SafeSport Online Training/Certification Course. An adult who may "drop in" to coach and/or practice with minors on occasion would not be considered frequent, repeated or consistent and would not need to complete the SafeSport Online Training/Certification Course. In the spirit of the moral code of judo, USA Judo requires adult members to self-certify whether or not they considered having "regular contact" with minors based on the aforementioned description. If an adult member is unsure whether or not they have "regular contact" with minors, USA Judo encourages those individuals (and their clubs) to err on the side of caution and complete the SafeSport Training and Certification. USA Judo, in cooperation with USA Judo Clubs, has the right to randomly review and assess members who may have regular contact with minors and require compliance if/when considered necessary by USA Judo Leadership.
