Frequently Asked Questions

Registration

- Where can I find my membership number? *In order to confirm your account, you will need a USA Karate Membership Account. Visit the new membership system usankf.sport80.com. If you had an account in the old system use that email address and reset your password to access the new system. If you did not have an account you can create an account. Once logged in you will see all your membership numbers of athletes associated with your account. If any accounts are missing simply open a support ticket or email us at natoffice@usankf.org and let us know what members should be under your account and we can associate them for you.*
- I am having trouble uploading my photo, the cart won't accept it. *This is caused by uploading too large of a photo. Today's phone cameras are often in the 8 megapixel to 15+ megapixel range, this can produce photos easily in excess of 2 megabytes. This is too large for our application to handle efficiently so you need to resize the photo to 72dpi, 200x233 resolution, or at least get the size down below 2mb. If you don't have the ability to resize an existing photo we recommend taking a new photo and turning your resolution all the way down, select the lowest megapixel setting (mp), and select the lowest quality for the photo. This will allow even the high end cameras to take a small enough photo to upload to us.*
- Can I confirm my registration? *Yes. You can confirm your registration online by going to the event in www.tournamentinabox.com and selecting "confirm registrations" on the main page. You simply search using your membership number and confirm your registration. If you have registered online, you will receive an "order confirmation" via email in addition to being taken to a confirmation screen at the conclusion of the registration process. If you do not receive the confirmation email, please check your spam or junk folder.*

If you completed the paper application and mailed your registration, it will take approximately 10 business days for your registration to appear online using the website. Because of the volume of paper registrations, we cannot confirm your registration any sooner than it would appear online. Please note that there is a \$50 paper handling fee, to avoid this please use the online registration.

- Do competitors need to take SafeSport™ Training? *All domestic athletes who will be 18 years of age or older before the end of the competition will be required to complete the annual SafeSport Training to be eligible to register for the competition.*
- What if I confirm my registration and it is incorrect? *If the registration appears to be incorrect online, simply check the box next to the athlete name and select EDIT. You can*

2022 USA Open Karate Championships & Junior International Cup

then go in and make changes to your registration. Don't forget to CHECKOUT if you made any changes affecting your balance, otherwise your registration will be marked as incomplete.

- What if I make a mistake during registration, do I have to pay a change fee? *Yes, a late/change fee will be charged, unless the mistake is a minor clerical error or is the result of a mistake by the USA Karate Staff.*
- Can someone else pick up my competitor pass for me? *Yes, however it is strongly recommended whoever picks up the athlete pass review it carefully for mistakes. If the pass is accepted and is later found to be incorrect, a late/change fee will be assessed to make corrections.*
- What are the skill levels and how do I know which skill level I should compete in? *The skill levels are to help keep the competition a level playing field for all competitors. Here is a description of the skill levels:*
 - *Beginner – 8th kyu and under/Less than 1 year of training*
 - *Novice – 7th kyu-5th kyu/1-2 years of training*
 - *Intermediate – 4th kyu-2nd kyu/2-4 years of training*
 - *Advanced - 1st kyu and higher/4 years or more of training*
 - *Elite – US Team Trial Divisions/Recommended rank of 1st Dan or higher and 5+ years of training*
 - *All brown belts must compete in intermediate or higher divisions*
 - *All black belts must compete in advanced or higher divisions*
 - *Athletes who participate in a beginner, novice, or intermediate division must compete in that skill level for all divisions*
 - *An athlete who participates in an elite division may compete in an advanced division in another category (Exp: Athletes may compete in Elite Kumite and Advanced Kata, but may not compete in Elite Kumite and Advanced Kumite)*
 - *Athletes who compete in Elite Kata may not compete in any other Kata division*
 - *The ultimate placement of athletes in the correct skill level is the responsibility of both the athlete and their coach/instructor. We rely on the integrity of all of our participants to ensure for the safest and most fair competition. Should an athlete be found to purposefully misrepresent their skill level for the purpose of competitive advantage, appropriate actions may be taken against both the athlete and the coach/instructor*
- If I have been training for 2 years but have a brown belt, do I have to compete as an intermediate? *Yes.*
- What are Elite Divisions? *Elite Divisions are for the highest level of competition. These divisions are for those Advanced athletes seeking WKF level experience. Generally, if an athlete is a current or former member of their country's National Team or has earned a medal in a large international competition, they would be considered Elite. However, the Elite Divisions are not limited to National Team members or international medalists, so any Advanced athlete may register for Elite Divisions.*
