INDIVIDUAL PLAYERS:

DIVISIONS:

Singles, doubles and mixed doubles are offered. In doubles, both players must be from the same school. All Divisions are Championship Divisions.

TEAMS AND FORMATS:

Players will compete for team and individual National Racquetball Championships in Boys, Girls, and Overall Team Competition. Teams will consist of players in 6 singles divisions, 3 doubles divisions for boys, girls, and mixed. Divisions are #1 - #6 in singles and #1, #2, and #3 in doubles. The top ranked player on a team must enter division #1; the second ranked player in division #2, etc. Division #6 in singles and division #3 in all Doubles events are open to all players not entered in a higher division. No two players from the same school may play in the same division, except division #6 in singles, and divisions #3 in all Doubles events. If there are fewer than 6 boys or 6 girls, on a team, divisions must be filled from the top first; that is division #1 Singles, division #2 Singles, etc. All singles players are guaranteed 3 matches, including forfeits and/or byes. All players will earn points for their school toward the Team Championships. Players may enter 3-events however, they must be separate events, and the 3rd event must be mixed doubles. Singles divisions will use the Olympic Format. Doubles divisions will be single elimination and with one consolation round.

SCORING:

Points will be earned according to the round of your final loss (or victory if you win the division). Points are not cumulative; forfeits or byes are considered matches won. Point System will be available at the Match Check-in desk for Coaches review.

OFFICIATING:

Match losers are required to referee. Players who do not referee will be penalized 500 points (from team total).

REFEREE TESTING:

All Players are required to take and pass the online A-7 High School Referee Test prior to the event. The test is FREE!! To do so, log into your **USA Racquetball profile > Courses and Testing > A-7 High School Referee Test.**

PARENTS & COACHES RULES:

All parents and coaches must remain in far corners of the viewing area on the court. No speaking directly to the referee and all issues or complaints must be brought to the tournament desk immediately.

OFFICIAL BALL:

Penn is the Official Ball of USA Racquetball and the ProPenn Green ball will be used in all matches.

MIXED DOUBLES RULES:

Each receiving team member must clearly take a position on opposite sides of the back court within 10 seconds of the score being called. Failure to do so is delay of game.

Definition of legal serve: The serve must bounce in the middle or in the correct side of the court and must remain either in the middle or in the correct side of the court for the second bounce if it were to occur.

The boy must serve to the boy and the girl must serve to the girl. Any serve that is judged by the referee to be served to the incorrect player is a fault serve (same as a short serve).

Only the boy may return the boy's serve; only the girl may return the girl's serve. Returning serve out of turn is considered an encroachment and results in a point for the serving team.
