Have a Referral Code?
Your friend or family member has given you a referral code that will give you access to hundreds of discounts to help you save where it counts during these times. Keep in mind, this code gives you access to a different community than the one your friend or family member is in, which they have access to through their employer.

Got it!

Welcome to Pinch Perks, a member benefit provided by USA Racquetball and powered by Perkspot!

The screenshot shows the USA Racquetball PerkSpot website. At the top, there's a navigation bar with 'Home', 'Quick Links', and 'Categories'. Below that, a dark blue bar contains icons for 'New', 'Local Discounts', 'Grocery', 'Brands', and 'COVID-19 Resource Center'. The main content area is divided into 'My Feed' and 'Recommended For You'. 'My Feed' includes a notification about referring a friend and a 'Start Saving' button. 'Recommended For You' features several promotional cards, including one for ADT home security and another for QUIP toothbrushes.

Check out the map for deals in your area. Select the vendor from the list or on the map to take advantage of deep discounts.
