

Figure Sport Committee Update - 11/8/19

1. RULE BOOKS FOR 2019 – 2020 POSTED:

The Youth, Elite, and Adult Figure Rule books have been updated and posted on the Figure page of the USA Roller Sports website. There are links to the World Skate Rule books embedded for the International and Elite events. If you have any questions, please email figurerules@usarollersports.org.

Additionally, the requirements grid has been updated with the only change being the addition of the Juvenile and Elementary Pairs events, per last week's email blast.

2. Don't Forget to sign up for the Academy Leaders weekly webinars:

Please see the USA Roller Sports group page on Facebook for information and how to sign up. Many registered Coaches have already attended the introductory webinar and the first two Freeskating/Pairs events and it's not too late to sign up for the remaining webinars, over the next two weeks!
