

Figure Sport Committee Update - 9/13/19

UPDATED 2019/2020 Requirements grid posted TODAY 9/13/2019:

The 2019/2020 requirements for the remaining Youth and World Skate Junior/Senior events have been updated and posted on the USA Roller Sports webpage. You will also find the Notice of Clarification for the 2019-2020 requirements to answer some of the questions we have received, with an additional page to give easy access to the World Skate Rules, for Tots, Mini, Espoir, Cadet, Youth, and WS Junior/Senior events. We are working on the updated rule books for Adult and Youth events and will have those posted as soon as we complete the remaining updates for this skating season.

If you have any questions, please email the following:
