The 14-Under division will kick off the tournament at Idle Hour Sports Complex before joining the 16-Under and 18-Under divisions at South Commons Complex, where a 2021 Junior Olympic Champion will be crowned in their respective age divisions.

HISTORIC SITE

A recipient of the 2019 Complex of the year, presented by Stabilizer Solutions, South Commons is most notably known for hosting the historic 1996 Atlanta Olympic Games for the sport of softball, where the Red, White and Blue claimed the first-ever Olympic Gold medal.

Created in 2015, the USA Softball JO Cup serves as an opportunity for evaluation by the USA Softball coaching staff and the Women's National Team Selection Committee (WNTSC). The inaugural USA Softball JO Cup included a total of 32 teams competing in the 18-Under division and has since grown to include a 16-Under division the past five years (2016-2020) and 14-Under division the past three years (2018-2020).
