MATCH CHECK-IN: Players **MUST** register with the Control desk at least 30 minutes BEFORE their group is scheduled to start playing. This means after you check-in, you go directly to your table(s) to be prepared for your group to start - you must be **READY TO PLAY** 10 Minutes before the scheduled match time - **even if you are not the first match to play in the group play order, you MUST be there, and you MUST WAIT at your table(s).** Players who disregard this direction, and disappear-off, or who are unable to comply, will potentially default their matches. The only exception is documented conflict resolution issues that go through our Conflict Resolution Station (CRS), in advance. It is the players responsibility to think, look, and act on any potential conflicts **BEFORE they occur** – by going to the CRS with ample time, in advance.

Tournament Operations relies heavily upon you complying with this in order for matches to be scheduled on time, played on time, and concluded on time. **Like-wise, if a match starts and one of the group players does not show up on time, the remaining players in the group shall proceed with the remaining matches in the established play order, and the match that the absent player missed will be recorded as a default – no exceptions.** As a reminder, your shirt must have either your name printed on the back and/or the US Open Player Number pinned to your shirt - so you can be identified throughout the playing hall and group.
