III. Chair Report

On May 2, an athlete expressed concern over the rising costs of events and the declining quality of tournaments. Athlete noted they have heard from others the same concerns as well.

Amongst the AAC, there was a general discussion around the quality and quantity of events. It's great to see so many opportunities for athletes to participate in; however, the quality of events have gone down and the cost of events have gone up. The lack of referees to run an efficient event seems to be a main concern. C.Fu will draft a brief memo to USATKD leadership expressing these concerns.
