

COACH DEVELOPMENT PATHWAY

CORE COACHING COURSES (ONLINE ONLY)

All three courses must be completed in order before moving on to Level I Core.

LEVEL I* (ONLINE ONLY)

Within the first 2 years of initial certification, a Level I coach is required to take at least one Area of Focus prior to re-certification.

LEVEL I* AREAS OF FOCUS

Level I coaches may take multiple focus areas but are required to take at least one Area of Focus during their first 2 years of initial certification, additional Areas of Focus can be taken for 5 USAT CEUs.

LEVEL II* SPECIALIZATIONS

Level II Specialization Clinics have a Level I Area of Focus prerequisite requirement. Therefore, you may only take a Level II Specialization Clinic after completing the corresponding Level I Area of Focus. Please refer to the Coaching Education section of usatriathlon.org/coaching for additional requirements of the Level II application process.

LEVEL III*

Coaches must complete a Level II Specialization Clinic prior to applying for a Level III Clinic. Please refer to the Coaching Education section of usatriathlon.org/coaching for additional requirements of the Level III application process.

ELITE MASTER COACH*

Elite Master Coaches are recruited by USA Triathlon staff, and are not a part of the standard USA Triathlon Coaching Education Progression.

Once selected, Elite Master Coaching candidates will receive individualized, hands-on training to prepare them to train High Performance athletes.

*It is the responsibility of the coach to hold current CPR, AED, First Aid, SafeSport and "green light" Background Check at all times.
