

## USA Triathlon Collegiate Club National Championships – Eligibility Form Revised May 2020

Please sign below to verify that the following student(s) listed (or via an additional document) are in good standing at the institution. Please provide the institution's name, and it is a **requirement** to denote if the student(s) are enrolled full-time or part-time during the 2019-2020 OR 2020-2021\* academic year. If enrollment status is not provided, then student(s) will be listed as part-time.

Please note the following criteria:

- Students who are enrolled in the final units necessary to complete their degree requirements in their final semester before receiving a degree may compete and score for their school at Collegiate Club National Championships in any race. Due to fulfilling their final graduation requirements, they count as full-time students.
- Students graduating in the fall/winter can compete and score at the following spring's Collegiate Club National Championships within the same academic year; they count as full-time students. Students in this circumstance are required to submit proof of degree completion to [collegiateclub@usatriathlon.org](mailto:collegiateclub@usatriathlon.org). Otherwise, they are treated as part-time students.
- Students who do not meet the requirements above will be considered part-time status. All part-time students can compete in the Olympic distance race at Collegiate Club National Championships. They are eligible for individual awards/scoring, but will not be eligible to be part of team awards/scoring. Part-time students are not eligible to compete in the Draft-Legal or Mixed Relay races. Part-time students do not displace for team scoring.
- \*Updated: Students who were full-time status in spring of 2020 or who are full-time status in the fall of 2020 are eligible to participate with proof of enrollment from their school's registrar.

I certify that the listed students above \_\_\_\_\_ (#) (or via an additional document) meet the criteria for the USA Triathlon Collegiate Club National Championships.
