

USA Triathlon 2006 Youth Elite and Junior Elite National Rankings

USA Triathlon's athlete development program includes a series of draft-legal (ITU-style) triathlons for Youth Elite (13-15) and Junior Elite (16-19) athletes. In 2006, twenty-one such events were included in our annual Youth Elite and Junior Elite National Rankings. Results from each event are accessible via the links at the end of this document.

Scoring Information

Racing/Ranking Age is determined by athlete's age on December 31, 2006.

Total Points is the sum of the best three (3) performances.

Final season rankings are used to award the following recognition:

All-American (AA) status (Top 5% of ranked athletes; National Champion)

Honorable Mention (HM) status (Top 6-10% of ranked athletes)

Youth and Junior athletes who may have also participated in non-drafting (USAT Rules) triathlons during the 2006 season are encouraged to check their USAT National and Regional Rankings as well.
