

Decorate your own Rudy Project helmet! One lucky winner will receive a Rudy Project helmet with his or her design. For best results, use permanent markers, crayons or colored pencils — magic markers will smear. Be sure to include your name, age, email address and member number when submitting your helmet design.

You can email your completed design to communications@usatriathlon.org with Rudy Project Helmet as the subject, or mail it to
**USAT Rudy Project Helmet,
5825 Delmonico Drive, Suite 200,
Colorado Springs, CO 80919.**

All helmet designs due Nov. 13. Contest only open to USA Triathlon youth members who are 17 or younger on Dec. 31, 2016. Select entries will be featured online at www.usatriathlon.org/kidzone.
