

USA Triathlon Sanctioned Paratriathlon Friendly Designation Application

Instructions: Please submit the completed application along with any videos, pictures, testimonials, or any other material deemed necessary to the Paratriathlon Committee's Keri Schindler at Keri@dare2tri.org.

Before you can receive this designation you must have a fully-completed sanction application within the USAT Sanction system.

Once applications are received please allow 2 weeks for the Paratriathlon Committee and the USA Triathlon National Office to review your application.

If your race is selected to receive the Paratriathlon Friendly Designation, then you will receive the special logo to add to your website and you will also go into the running database on Paratriathlon Friendly events that the athletes can access.
