

2022 SELECTION CAMP MAKE-UP POLICY

Nexus is for dedicated field hockey players committed to their own development. The program brings field hockey players together with experienced coaches trained in “The USA Way”. The 2022 Nexus program will be held over 3 weekends, for a total of 6-weekend days. Regional selection camps are mandatory for advancement to Nexus Championship and beyond. We realize there are extreme circumstances where accommodation needs to be considered. Therefore, please see our Selection Camp Make-Up Policy below.

- *Athlete must have prior permission from the Director of Nexus - no exceptions. Communication with Regional Staff is also required.
- *Minimal notice to National Office is Saturday, April 23, 2022 (two (2) weeks before first selection camp) OR preference would be given to athletes that communicate this request prior to Weekend 1.
- *Athlete could be re-assigned to the Selection Camp best suited to his/her training weekend completions.
- *All make-up requests are at the sole discretion of USA Field Hockey and cannot be guaranteed.
